

Step into tranquillity

PYMBLE GOLF CLUB

PYMBLE GOLF CLUB

Pymble Golf Club, established in 1924, is one of Sydney's most prominent private golf clubs. Located in St Ives, just off Mona Vale Road, it is only 25 minutes from the CBD.

The course is considered to be one of the top Group 1 courses in Sydney. The holes wind through magnificent gums and around the boundaries are grand stately homes overlooking the course. The native bush attracts a wide variety of bird life and there are several water features and dams which all make the golfing experience at Pymble unique.

Our signature hole is our 16th which features a challenging drive over our dam to a slightly elevated fairway. The hole then bends to the right and the shot to the green must carry a rocky creek just in front of the well bunkered green. A most memorable golf hole, one of many.

The Clubhouse was extensively refurbished recently and is the perfect setting for any catering event, from informal breakfasts and barbecues to formal cocktail parties or dinners. The wide balconies and terraces are wonderful to enjoy the sweeping views over the course while savouring a cool drink in the late afternoon with the sun setting through the tall gums.

Our friendly and experienced staff will ensure that your Corporate Day at our Club will be special both for your clients and also for your organisation. From your first contact with our Golf Operations Manager, Carolyn Clark, we will make sure that all arrangements are precisely what you desire and we will be on hand throughout the planning and running of the event to take the stress out of the day for you. We believe it is important that you, the organiser and your team, enjoy the event as much as your guests and clients.

We aim to make your Corporate Day something special.

PYMBLE GOLF CLUB

GOLF

Mondays have been set aside exclusively for Corporate Golf. Bookings for 80 or more players will guarantee course exclusivity on the day. By having course exclusivity you will be able to place signage on the course and in the Clubhouse and our staff will assist in placing this.

A wide choice of tee off options are available at Pymble. Our course is divided into three loops of six holes and our members find a three tee start to be a convenient way to play the course with all players finishing their game within approximately one hour of each other. We also have other tees close to the Clubhouse so that a five tee start is also possible. However, the most popular format for Corporate Days is a shotgun start and the course can accommodate 120 players comfortably with this type of start. We find that an Ambrose event is a popular event on Corporate Days however if your guests are regular golfers you may prefer single or fourball events. Novelty events such as nearest the pins, longest drive, straightest drive and chipping competitions are well catered for. Our staff can assist you in deciding the most appropriate format for you.

We are available to assist with every aspect of your corporate golf day including player briefings, conduct of clinics by our professionals, starting of the field, marshalling, scoring, nearest to the pin and long drive competitions.

Drinks cart, electric carts as well as a professional shop stocking a wide range of products from recognised brands, hire clubs, hire shoes and a range of special prize options are also available to meet your needs. We also have a catalogue of promotional items you can select from to provide a special welcome pack for your guests or clients. Our golf scorecard can be specially printed to feature your logo or those of your sponsors.

YOUR DAY

In planning your day you will need to consider a wide range of options including costs. The following information is provided as a guide, but in all cases, we pride ourselves on our flexibility and arrangements and costings can be tailored to suit your needs.

Course Usage and Set Up

Typically a Corporate Day takes five hours to play. You will need to take this into account in considering timing of meeting your guests and planning meals etc. Play on the course can commence from 8.00am and we have practice nets, a putting green and a green where players can practise their bunker and chip shots. The course can be set up to suit the standard of play of the participants.

You will need to decide on what type of start will suit your day best. Depending on numbers you can start from up to five tees or perhaps a shotgun will be best if you have a large number of players. We can assist you in making this decision.

Your Event

Most Corporate Days hold an Ambrose event where all players in the group hit each shot and the best shot is used until the ball is holed out. Even beginners can enjoy the game and achieve the odd birdie! It is best to try to have at least one competent golfer in each group to be 'team captain' who can make decisions as to which ball to take and also to keep the field moving.

If your day has mostly competent players, perhaps an 'Irish Fourball' or even a single Stableford with a fourball in conjunction may appeal. We can assist you in deciding the best event for you.

PYMBLE GOLF CLUB

Promotional Assistance

We understand that your event is being held to assist in promoting your organisation to your clients so we will do our best to assist you in this endeavour.

While you should feel free to use your own promotional products, we have a range of products you can choose from and we can prepare or assist you in preparing promotional packs for you.

We have no objection to the use of promotional signage or banners and our staff are available to place them on the course, in the Clubhouse or in the car park. We would like to know what is required and would like your material to be available on the Friday prior so all will be ready for your big day.

Our Professional Staff

Our Golf Professional, Ian Paul, and his experienced, friendly staff will be on hand to assist you and your clients. They are available to assist with starting the field, providing clinics or coaching and are expert at checking score cards, finalising competitions and preparing results sheets.

They also operate the golf shop which has a wide range of golf related products, clubs, balls, tees and clothing. Golf carts, battery operated buggies, pull buggies, golf sets and golf shoes are all available for hire. It is best if we know in advance what the hire requirements are so we are set to go on the day. No last minute hitches!

Dress Rules and Mobile Phones

Like all private golf clubs, we like to maintain our standards and with golf being a very traditional sport, the dress of participants needs to comply with our rules. On the course we require traditional golfing attire, which is not draconian. In the Clubhouse we expect smart casual attire to be worn. The modern trend of boat shoes without socks is acceptable however blue denim is not permitted to be worn in the Clubhouse.

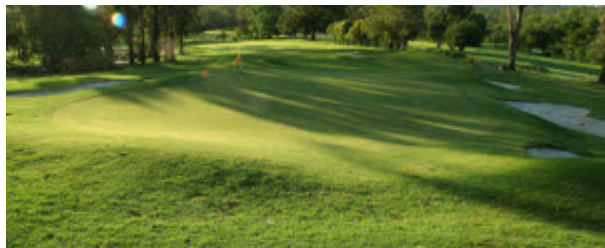

While realising that mobile phones are an important part of our lives these days we request that they not be used inside the Clubhouse or on the golf course. If any transgressions of our guidelines by your guests do occur we will, of course, handle them diplomatically.

Wet Weather

Our guarantee to you is that if our course becomes unplayable due to heavy rain or it is dangerous due to lightning, your day can be rescheduled. However, as golf can be played in inclement weather, the guarantee won't apply if the weather is merely 'unpleasant'. The players will just have to don their wet weather gear, or retire to the comfort of the Clubhouse.

Hole-in-ones and Other Prizes

Pymble Golf Club is obliged, under the Rules of Amateur Status endorsed by Golf Australia, to ensure that prizes are not given to amateur golfers with a value exceeding \$1200. If you wish to issue such a prize which exceeds this figure, please discuss this with the Club.

PYMBLE GOLF CLUB

GOLF EVENT PRICES

Green Fees

The green fee at Pymble Golf Club is \$75 per player. Course exclusivity can be guaranteed if you have 80 or more players, or if you are prepared to pay a minimum of \$6,000 in green fees. Lower numbers than 80 may result in another group or Club members making use of the course on the day. Groups of less than 40 players cannot be confirmed until two months prior to the date of play.

Golf cart hire is \$40 per cart

Battery operated buggy hire is \$15 per player

Pull buggy hire is \$5 per player

Golf set hire is \$25 per player

Golf shoe hire is \$10 per player

Golf clinics or coaching will depend on what you require but as a guide approximately \$100 per hour for a golf professional can be used.

Drinks and Food Cart – the cart needs to be driven by Club staff in order to ensure the correct route etc is taken and the course is not damaged. We charge \$40 per hour for this service.

MAKE A BOOKING

Deposit and Cancellation Policy

To secure your day we require a deposit of 50% of the estimated green fee with payment of the deposit due within 14 days of agreement being reached. If for reasons beyond your control, you are forced to cancel your day, 50% of your deposit will be refunded if you advise cancellation three months prior. If you cancel later than that your deposit will be retained by the Club.

PYMBLE GOLF CLUB

CATERING
