

JACs Program

Just for kids

Pymble Golf Club's Junior and Cadet (JACs) Program is arguably the best in the State with a structured program involving regular tuition from Golf Professionals only. The program covers all aspects of the game including rules and etiquette with time spent playing on the course.

OBJECTIVES

We have three objectives for our clinics.

- Teach the game of golf to our cadets.
- Ensure they have as much fun as possible.
- Ready them for membership of Pymble Golf Club

We not only use the course and its practice facilities but, to add variety, we sometimes go to different venues. At the end of each clinic the cadets are treated to chips and drinks. This gives them all a chance to sit, chat and get to know each other and form friendships.

Our main aim of the program is for our cadets to join the Club as Junior members.

FURTHER INFORMATION

If you are interested in participating in the Pymble Golf Club JACs program, please contact the office for further details. **P:** 02 9144 2884 **E:** office@pymblegolf.com.au

We are not looking for elite players, we are looking for keen and enthusiastic members regardless of skill level. We see our cadets as an important part of the future of our Club.

HOW IT WORKS

Cadets initially start in the lowest of three levels and progress through each level. Some may progress faster than others particularly if they have previous experience or are quick to pick up skills.

Once a cadet progresses to the second level they are permitted to play on the course unsupervised, outside competition times. They may also play in the reserved times on Sunday afternoons.

The annual fee of \$220 includes

- Sunday Clinics
- Green fees
- Competition on Sundays
- Refreshments after the clinics
