# Welcome to Pymble

Come and learn to play golf on one of Sydney's best golf courses in a relaxing and friendly environment.

Bring a friend or just come and make new ones.

We are offering a structured course for ladies to learn to play golf, including clinics with the Club Professional to get you on the right track. Once the preliminary clinics have been completed, you will be able to play a few holes each week in groups of 3 or 4 accompanied by an experienced player who will help you learn all facets of the game.

Each week either before or after playing golf, relax in the clubhouse bar or on the balcony overlooking the 18th green and enjoy a light lunch or sandwich and drinks with old and new friends.

Catch up with each other, compare notes and experiences in this casual atmosphere.

Places are limited so book early!
