

Join Pymble Golf Club

THE FAMILY CLUB

Pymble Golf Club is so much more than a venue to play a round of golf. We are a family-oriented Club with programs in place to cater for all members of the family and all levels of golfer, including non-golfers. Join now and become part of the Pymble family!

THE COURSE

Pymble is regarded as one of the most desirable private golf courses in NSW. It is a stunningly beautiful golf course and presents the golfer with a great variety of holes to test their skill. Along with the signature 16th hole, the newly reconstructed 9th and 13th holes have added to the challenge as well as the sheer enjoyment of the round. It is a delight to play. With 12 hole, short course and 18 hole singles competitions every day and a number of family events there is something for everyone from the most competitive golfer to the social player.

CLUBHOUSE AND FACILITIES

Wide verandahs and a large lower deck provide picturesque views of the course and with a number of function rooms we provide the ideal setting for members and guests to enjoy lunches and dinners. We can accommodate small intimate groups or large parties of 200 or more. Our catering is first class with the provision of quality fresh produce, prepared by our innovative team of professional chefs and complemented by our highly trained service staff.

THE FAMILY CLUB

Pymble enjoys a great camaraderie amongst its members which is fostered, not just out on the course, but back in the Clubhouse through a variety of events including weekly presentation of prizes. We have one of the best children's golf programs in the State to encourage children to learn to play golf from professionals and a Ladies Clinic program to ensure ladies learn to play in a relaxed atmosphere.

CONTACT US
